Home Maintenance Education is designed to teach homeowners "do it yourself" home maintenance skills. Each of the topics covered feature hands-on practice lead by local area professionals. A practical workshop for anyone, especially if your home is in need of repair, or if you are considering a home purchase. **Registration is appreciated, but not required - you are invited to attend the sessions that most interest you!**

Community Action House Education Services staff are certified by the Michigan State Housing Development Authority (MSHDA) and the Department of Housing and Urban Development (HUD).

Workshops are open to all Allegan and Ottawa County residents **at no cost**. To receive a certificate of completion, participants must attend all sessions.

Additional Services

- Financial Future Workshop
